

Rappahannock Westminister-Canterbury Foundation Annual Report 2016 - 2017

Rappahannock Westminister-Canterbury Life Enrichment Center Watercolor, Pamela Bowers, 2017

Message From our CEO, Stuart Bunting

The recent opening of the Life Enrichment Center at Rappahannock Westminister-Canterbury caused me to reflect on what really enriches life. I did not have to look far. I found you, our benefactors, donors, sponsors, and supporters who are faithfully committed to enriching the lives of others. The pages of this Foundation Annual Report illustrate your gifts of time, talent, and treasure enriching the lives of others.

RWC residents past, present, and future call RWC their home because of the profound generosity of our Fellowship Fund benefactors. Through fellowship donations, golf tournament sponsorships and participation, and honor and

memorial gifts, you enrich the lives of these residents in truly magnificent and profound ways. RWC staff members continue their education in critical fields contributing to quality of life and quality care through your meaningful scholarship fund donations. Grants, bequests, and other donations enable projects that complete the lives of residents, clients, and the greater community. Wellness and caregiver support programs for those with Parkinson's Disease and memory challenges are examples of the life-enabling and meaningful projects you make possible.

One of the unique characteristics of our community of benefactors is the consistent, heart-led, generous support for the life-enriching mission of the Rappahannock Westminister-Canterbury Foundation. We simply could not fulfil these missions without you. On

behalf of residents, staff, trustees, clients, program participants, and so many others, I am honored to offer deep gratitude for your consistent, faithful, and generous investments that deeply impact and enrich so many lives.

May your life be touched in a special way for the care and concern you show for others through the Rappahannock Westminister-Canterbury Foundation.

Message from our Foundation Board Chair, Jay DePew

The Rappahannock Westminster-Canterbury Foundation supports the operations of RWC by raising money to underwrite fellowships for residents and provide funds for other projects in the community. This separate nonprofit corporation has a five-fold purpose as described on page 3 of this report.

When I recently opened the website for RWC Foundation I was reminded of the message in the name: *Embrace Life at RWC*. What a powerful statement. This message touches all those associated with RWC and the RWC Foundation not only for residents, but also for the

extended team of individual donors, volunteers, the local community and staff.

The completion this year of the new Life Enrichment Center is a vibrant, visible example in “bricks and mortar” of RWC’s commitment to Embrace Life at RWC. This is a “stand out” example of what residents, donors, staff and volunteers can accomplish. Thank you to all involved in the completion and operational start-up of this facility and the various programs and services being offered.

This year encountered solid results of fundraising, through individual donations bequests and grants. Such generosity will continue to provide quality service and programs. I and the Foundation staff thank you for your financial support.

Our next fiscal year, 2017-2018, is shaping up to be an

exciting year. The RWC Foundation team is looking forward to working with you as we Embrace Life at RWC.

Annual Foundation Fellowship Assistance

Message from our Vice President of Marketing and Development, LuAnne Davis

In December 2016, I assumed RWC's development responsibilities, taking over from Elizabeth "Whiz" Harris. Whiz served as the RWC Vice President of Development for fourteen years. Through her leadership the RWC Foundation thrived, and we recognize Whiz's admirable commitment and dedication.

During the past year, there have been many accomplishments at RWC under the leadership of both the Corporate Board of Trustees and Foundation Board of Trustees. RWC residents, trustees, staff, and the greater community continually support the Foundation which makes our work and mission possible.

The new Life Enrichment Center is a true example of what a community coming together can accomplish. From the initial seed funding in 2003 to the many contributions for bricks and mortar and equipment, the local talents of architects, contractors and others have transformed the new center into the hub of our community. RWC residents as well as participants in our Living Well Program and our Parkinson's Support Programs benefit daily from the arts and fitness programs that enhance their quality of life.

The Fellowship Fund, through donations to the Angel Tree, Golf Tournament, memorial and honorariums continues to aid residents whose resources have become limited. This fund provides piece of mind for individuals with the guarantee that no one is ever asked to leave should their finances become depleted.

Directed contributions to the Fellowship Fund from individuals and grants from community organizations and foundations support our Parkinson's Support Groups, Dementia Support Programs and Adult Day Care program. RWC is a valuable resource not only for our residents but also for community individuals.

From the marketing perspective, this year has been tremendous. Many new residents have joined our community leading us to a record census of ninety-four percent occupancy at the end of our fiscal year.

It is a privilege to be part of the RWC family. I thank you for making RWC the active adult community and employer of choice for so many who live and work here.

2016-17 Annual Fund Grant, Bequest & Pledge Recognitions

We honor and value each and every gift made to the RWC Foundation. The following designated grants, bequests and pledged gifts represent donors who share a vision and dedication for RWC's residents and staff. Thank you for your insight and trust.

Lettie Pate Whitehead Foundation

RWC was the beneficiary of a \$126,250 grant to provide Fellowship assistance to Christian women residing at RWC.

A generous \$100,000 commitment for the Life Enrichment Center was received from RWC resident Mrs. Rebecca Smiley.

RWC residents Mr. & Mrs. Thomas Birdsong and Birdsong Peanuts are the benefactors of a \$53,160 grant. These funds will provide touch-screen technology for the engagement of our residents with cognitive challenges.

Maude Poe Padgett Memorial Fund

RWC received a \$40,000 contribution designated for RWC staff's education and training in the field of nursing.

The Estate of Phyllis Smith

RWC's Fellowship Fund was the recipient of the generous bequest of \$171,477. Phyllis and her husband, Rodney, were residents of RWC where Phyllis served on the RWC Foundation Board of Trustees.

Cole Charitable Trust

This grant of \$10,000 was received for the benefit of the RWC Fellowship Fund.

River Counties Community Foundation

RCCF granted RWC \$10,000 to enhance a courtyard with an attractive fence and raised beds for gardening. The area is specifically designed for our residents with memory issues and dementia. Additionally, the courtyard offers a safe and enjoyable space to dig in the earth and enjoy the sunshine.

One of the objectives of the RWC Foundation's Fellowship Fund is to offer fellowship assistance to qualified individuals from the community to attend the Adult Day Program.

Highlights for Our Year at RWC

The RWC Board of Trustees approved the construction of six new free-standing homes.

Pictured are the first graduates of RWC's Personal Care Aide Training class. The PCA program was established in response to the high demand for RWC at-home care givers in the Northern Neck.

Mrs. Carol Hardy, an RWC resident, has spearheaded a new initiative, *Parties for Wellness*, to raise funds for the Life Enrichment Center, to strengthen friendships for our current residents and to introduce community members to RWC.

RWC's 33rd Annual Golf Tournament was a huge success. We are grateful to our patrons who assisted us in exceeding our tournament goal for the Foundation's Fellowship Fund.

RWC is one of few continuing care communities in Virginia to offer *Grind Dining*, an innovative food preparation process, which restores enjoyment of mealtime for individuals with cognitive, neuromuscular and chewing disorders.

Fitness Center "Wish List" donations provided new fitness equipment for the Life Enrichment Center.

RWC residents and staff collected items for a Time Capsule Ceremony. Connemara Corporation provided a lovely reception in honor of the RWC residents.
